

How about...

...combining two of
the world's most
popular passions?

Welcome to Eco Cycle-In Cinemas

**No CO2
emitted.**

**No space needed
for 200 cars.
More space for
your audience
and bicycles.**

**An eco-friendly
alternative to
drive-in
cinemas.**

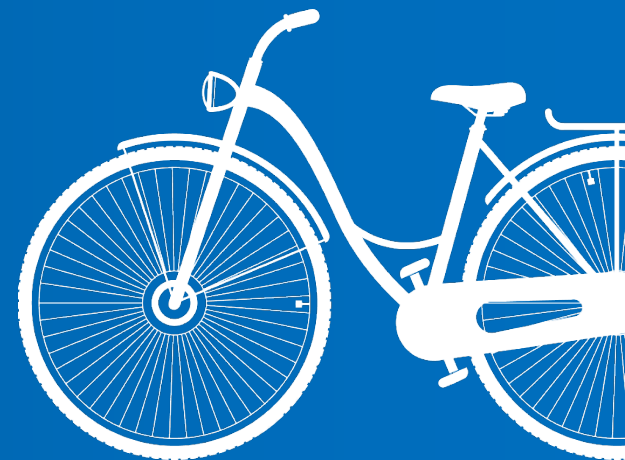

**Saving on
petrol.**

**Better for the
lungs, better
for the heart.**

**Better for
the mind.**

For
families,

friends,

or that
special
someone.

A person wearing a wide-brimmed straw hat, a colorful floral shirt, and light blue jeans stands next to a bicycle. They are in a park-like setting with green bushes and a classical building in the background. The scene is bathed in warm, golden light, suggesting sunset or sunrise. A large blue circle is overlaid on the image, containing white text.

**A whole new
way to enjoy
films.**

**Your audience can
discover superb
locations accessible
by bike.**

Perfect for cities
too.

Where bicycles
are becoming
the preferred
mode of
transport.

About our Single Title Screening Licence (STSL)

Our STSL allows
you to screen a
film from our
catalogue in a
public setting.

The STSL is what
you need to set
up your eco cycle-
in screening.

You can charge
ticket admission
and advertise
your screening.

A hand is shown holding a bicycle handlebar. In the foreground, a wicker picnic basket is filled with a green bottle, a brown paper bag, and some bread. The background is a grassy field.
